REQUEST FOR INFORMATION

Please help us up-date our records by completing this form and returning it to the Administrative Office. The information you provide here is for the exclusive use of the CROSSWOODS HOMEOWNERS ASSOCIATION. The Association will not provide this private information to any other groups or individuals.

This information is important as the following example indicates: one of our homeowners was in a serious auto accident and was unable to communicate. The hospital needed to get in contact with a member of her family immediately. Neighbors were called, but were unable to give names or addresses, although they knew she had family. A call to Crosswoods Office produced an emergency number, but it was no longer valid. The following information is very valuable if something happened at your home and you were out of town. It is also a good idea when traveling and/or even in town to keep the Crosswoods Office Number and Emergency Contact Numbers with you. This information should also be given to some of your close friends and neighbors.
