

Due to the Coronavirus Pandemic, the following temporary guidelines are implemented for the usage of the pool areas within the Crosswoods community. Please note these guidelines are in addition to the regular and normal pool rules of the community.

Once the office receives your signed waiver, your pool gate fob will be activated to allow access by the end of the next regular business day. Copies of the waiver are available at the office.
4. All patrons of the pool areas must provide their **own lounging furniture**.
5. All patrons of the pool areas must provide their **own sanitizing equipment**, including sanitizing sprays, wipes, towels, soaps, etc.
6. A **two-hour maximum time limit** per person per visit to a pool area has been implemented.
