Dear Members,

S & J Maintenance crews will be on-site to clean all rooftops, rain gutters, and downspouts beginning Monday, February 7th (work may be affected by weather delays). Please see the attached color-coded map with the anticipated date your rooftop and gutters will be cleaned.

Please take note of the following:

- Personal property on decks or in courtyards such as hanging decorations, deck furniture, potted plants, or decorative lighting should be moved or covered.
- Courtyard and/or deck gates should be unlocked for ease of access and so that those areas can be cleaned of any debris.
- S & J Window Washing are not responsible for personal items that are damaged.
- Owners who have rented their home should share this important notice with your tenant(s), and/or Property Management Company.

Please contact our office if you have any questions, 916-877.7793

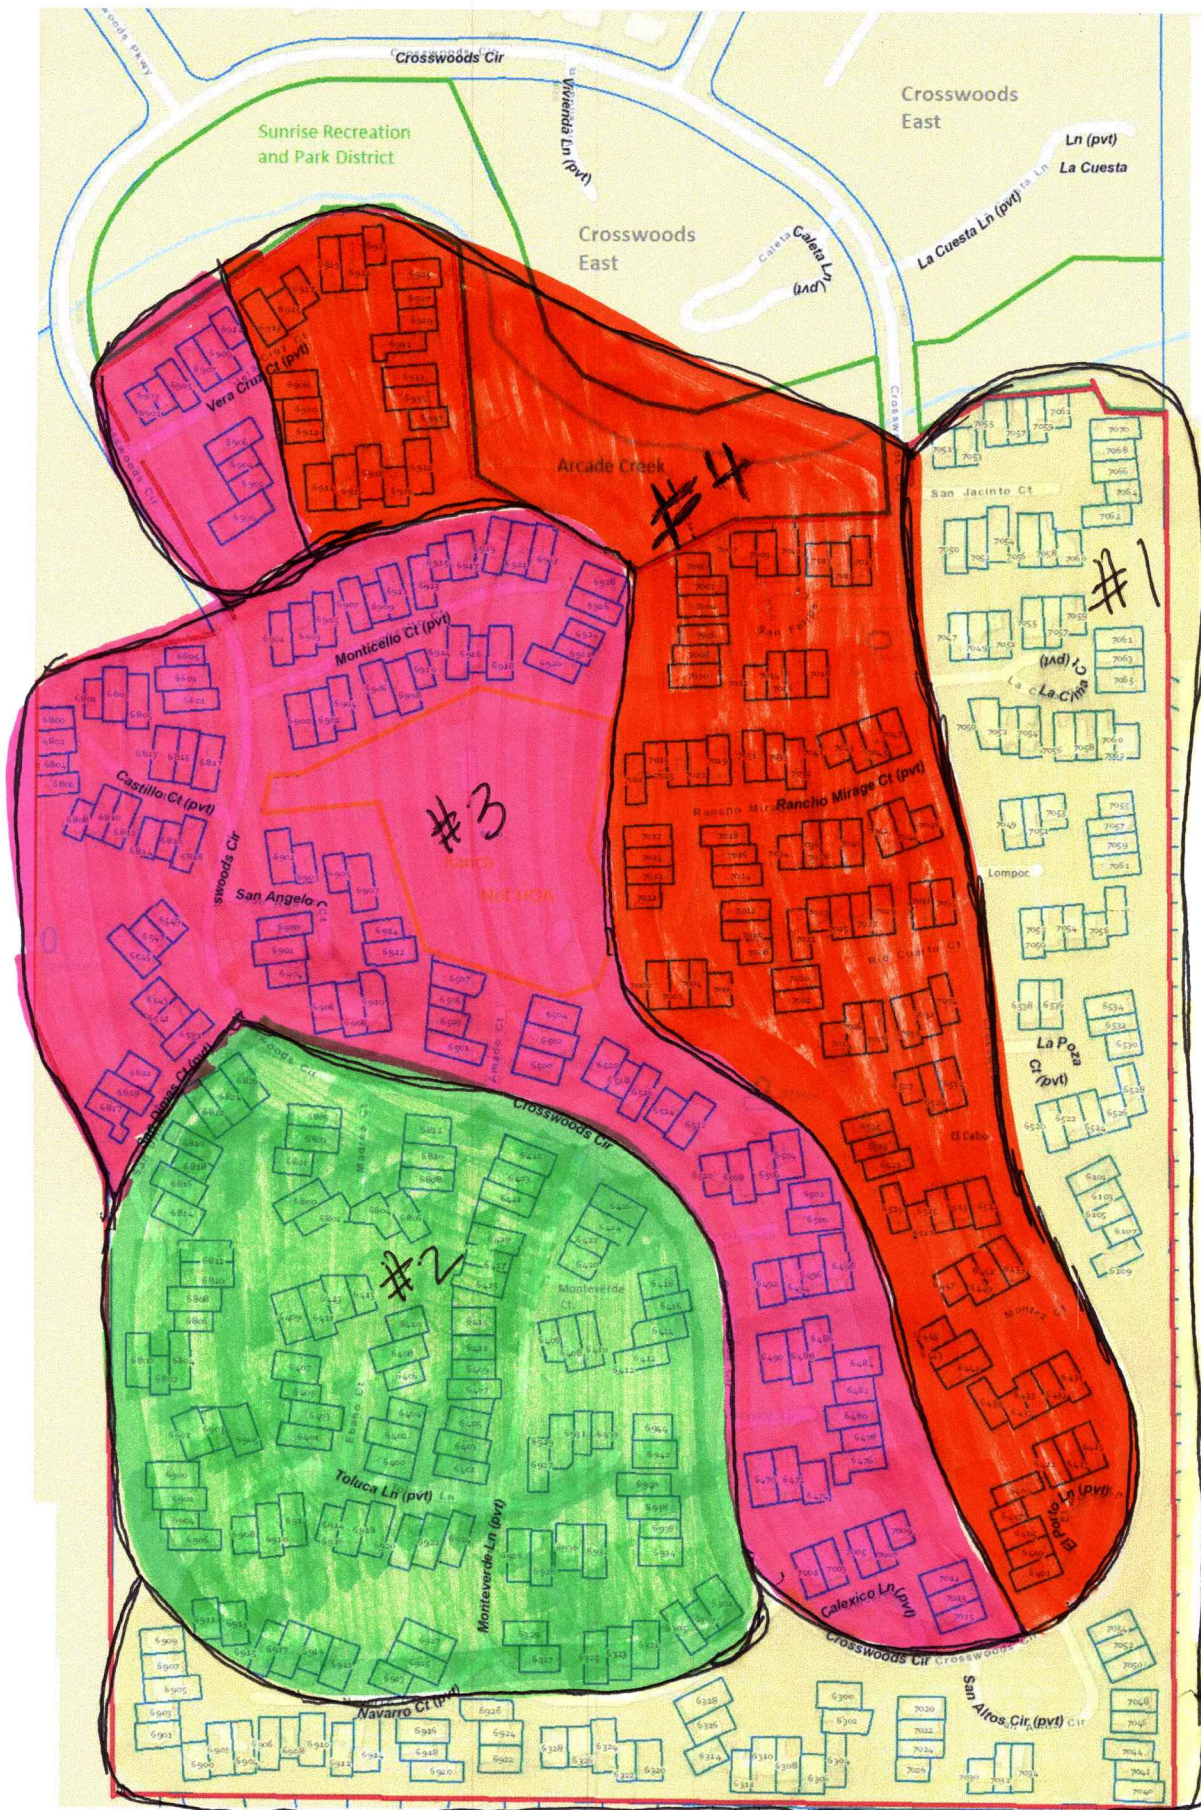

Thank you.

Sincerely,

Silvercreek Association Management on behalf of Crosswoods Homeowners Association
