

Crosswoods Homeowners Association Residents -

Good afternoon - the Board of Directors and Management team hope that this message finds you all well.

The next "Community Cleanup" is scheduled for **Thursday, August 25th**. All materials must be placed on the **interior side** of Crosswoods Circle for collection by 6:00 AM on the day of the collection. Loose material must be placed in disposable containers like cardboard boxes and large plastic bags for loose leaves. Only put Acceptable Material out for collection (see attached flier or the website below). Property owners and/or residents may incur penalty fees for violations such as oversized piles, disposing of unacceptable materials, or putting material at the curb too early or too late for collection. Also, please remember to set out material for collection no more than two (2) days before your scheduled pick-up day.

Materials must be set out at the curb and must not obstruct sidewalks or roadways.

Flier attached lists acceptable and unacceptable items for pickup or visit the website for more information:

<https://www.citrusheights.net/302/Neighborhood-Cleanup>

Should pick-up not occur on August 25th, please do not contact the HOA office. Sometimes pickup is delayed due to heavy work schedule, but it will be picked up in a day or two.

If you have any questions and/or concerns, please do not hesitate to contact the Management team.

Best regards,
Josh Peters, CMCA
General Manager
