Board Officer Election Results

Happy Holidays! Happy New Year!

I am proud to introduce your Board of Directors for 2026. The year ahead holds tremendous promise, and together with this Board, we will continue to improve on the strides made this past year to strengthen the HOA's financial situation.

Yet just as important is our commitment to something deeper: building a stronger, more connected Crosswoods community. Already, we see that spirit flourishing. Volunteerism is at an all-time high, with neighbors who love to garden transforming our grounds into places of beauty. The committees are flourishing, with new members contributing ideas.

I encourage you to get involved and celebrate those who give generously of their time. When you see them out in the community, greet them, thank them, and let them know their efforts matter. Together, we will make 2026 a year of new friendships, connections, and more financial stability in Crosswoods.

G. Rudy Di Massa
